REJECT the Verizon/Frontier Deal

Verizon (#17 on Fortune 500) wants to sell its phone operations in West Virginia to Frontier Communications (#834 on Fortune 1000). Verizon will get \$3 billion tax-free and Frontier will end up \$8 billion in debt. The West Virginia Public Service Commission will determine if the proposed deal is in the public's interest. It has the authority to approve or deny the sale.

We, the undersigned, believe the proposed Verizon/Frontier deal is bad for West Virginia and not in the public interest. We urge the West Virginia Public Service Commission to REJECT this deal.
